

ESANCHIT WEB PORTAL

The Central Board of Excise & Customs (CBEC) launched e-SANCHIT web portal for paperless processing, uploading of supporting documents, to facilitate the trading across Borders in line with the Policy of 'Ease of Doing Business'.

The 'India Customs Single Window' allows importers & exporters, to lodge their clearance documents online without approaching other regulatory agencies for requisite permissions if any.

The Single Window Interface for Trade (SWIFT), would reduce interface with Governmental Agencies, reduce precious time & the cost of doing business in India.

The Government has notified detailed guidelines which are available on the following [website](#):
