Subject: EODC Camp w.e.f. 13th Nov. 2023 to 24th Nov. 2023-reg.

In our continuous efforts to enhance the efficiency and effectiveness of export-related processes, It is informed that the office of the Additional Director General of Foreign Trade (CLA DGFT) will be organizing an Export Obligation Discharge Certificate (EODC) camp to address pending applications for Advance Authorizations and EPCG.

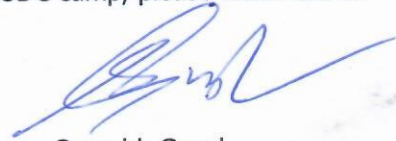

Details of the EODC Camp:

- Camp Period: From 13th November 2023 to 24th November 2023
- Venue: CLA DGFT office, ITO
- Purpose: Expedited disposal of pending EODC applications

Exporters, whose EODC applications are still pending and do not have a "Closed" status on the DGFT website, are strongly encouraged to take advantage of this camp. This opportunity will allow you to expedite the resolution of un-redeemed license pendency to the maximum extent feasible.

To ensure a smooth and efficient process during the camp, we kindly request all exporters to kindly identify cases that have been pending for an extended period. Please provide the details of such cases by 8th November 2023, including file references, to this office. This proactive step will enable us to prepare the necessary files and resources to process the EODC cases effectively during the camp. The post-lunch session of each day during the camp will be exclusively reserved for addressing these identified cases.

For any difficulties or queries you may have related to the EODC camp, please reach out at cladelhi-dgft@nic.in.
